INTERACTIVE FEATURES

This Water Journey™ features the following technologies that are unique to Vortex.

PUMP (1)

- To release the water into the Water Journey™ system
- Each pumping action releases a small amount of water and with persistent pumping the amount of water increases to a breaking point
- Powder coated stainless steel
- Can be a point of connection to other Water Journeys™

DRAIN BASIN (1)

- Can be a point of connection to other Water Journeys™
- Painted stainless steel and glass fiber reinforced colored concrete basin
