Blacklight

Invest in a Game Changer

City Golf Europe is proud to announce the hottest new alternative to the traditional game of mini golf – glow-in-the-dark, indoor Blacklight Mini Golf.

Blacklight mini golf is one of the fastest growing trends in recreational activities in inner cities, and as an additional attraction at existing sports and leisure centres.

Our glow-in-the-dark indoor courses are playable 24/7, all year round offering you maximum earnings potential and profitability!

Kids-DinoWorld at Fast-Land(Salzheimmendorf, Germany)

Glow-in-the-dark Blacklight Mini Golf courses offer unique advantages for entrepreneurs and investors as well as owners and operators...

- Outstanding investment value with high profitability and fast return on investment
- Courses can be flexibly designed to suit any budget-- from relatively small spaces of 150 m2 upwards
- Scalable and configurable for open-plan spaces or multiple rooms, including party/event rooms
- Perfect solution for locations in inner cities, suburbs, or as an addition to existing sports venues
- Courses can be built anywhere-- above or below ground: shopping precincts or malls, in vacant shops or units in city centres, disused commercial buildings, empty basements
- Ideal venues for leveraging additional space for sales of beverages, ices, snacks, as well as supplementary merchandizing goods, which make up a sizeable proportion of the total revenue
- Custom-designed themes or story-lines as standard. Courses comprise spectacular, multi-coloured graffiti murals, crazy obstacles, clubs and balls-- all glowing in the darkness under UV lighting
- Minimal advertising cost; courses are self-promoting through social media and word of mouth.

Unschlagbar Husum (Husum, Germany)

Kids-Dinoworld at Rasti-Land (Salzhemmendorf, Germany)

Big benefits for your customers, too...

- Fun recreational experience for people of all ages, male or female: kids, teenagers, couples, parents, grandparents, as well as persons with disabilities
- Affordable entertainment for families or friends, as well as special interest groups
- Ideal for company events, team-building activities and competitions, as well as after-work get-togethers
- Urban locations are easily accessible on foot, and by public transport, taxi or car
- Open all hours, any day: mornings/afternoons/evenings/nights
- Perfect rainy day activity; completely immune to adverse weather conditions
- Relaxing atmosphere for socializing, dates, parties or just hanging out.

Profit from your investment

See examples of how glow-in-the-dark Blacklight Mini Golf are benefitting investors and entrepreneurs, and owners and operators of existing sports and leisure businesses.
